

PARTH CHAUHAN

DIPLOMA IN COMPUTER ENGINEERING

PROFILE

Versatile tech enthusiast proficient in C, C++, Java, Python, JS, TS, HTML, CSS, React, Angular. Experienced in software dev practices & DB management. Strong in DSA, graphic design, video editing. Additional skills include PHP & familiarity with dev tools/frameworks.

PROFESSIONAL EXPERIENCE

Software Developer/Engineer

Infonaya Softwares | 2022 - Present

- Worked as a software developer/engineer in a company where you utilized your programming skills (C, C++, Java, Python, JavaScript, etc.) and hands-on experience with web development frameworks (React, Angular).
- Highlight any specific projects you worked on, your role in those projects, and the technologies you used.
- Mention any achievements or contributions that demonstrate your proficiency in software development methodologies, database management, and other relevant areas.

Database Developer Intern

Infonaya Softwares. | 2022 - 2023

- Managed and maintained relational databases, ensuring optimal performance, security, and data integrity.
- Developed and optimized database structures, schemas, and queries to meet business requirements.
- Implemented backup and recovery strategies to safeguard data and minimize downtime.
- Conducted regular database performance tuning and optimization to improve efficiency and scalability.
- Collaborated with cross-functional teams to analyze database requirements and implement solutions that aligned with business objectives.

Professional Summary

- Proficient in a diverse range of programming languages including C, C++, Java, Python, and JavaScript (JS), with hands-on experience in web development frameworks such as React and Angular.
- Skilled in software development methodologies and practices, coupled with expertise in relational database management systems, data structures, algorithms, computer networking principles and protocols, graphic design tools and techniques, as well as video editing software.

EDUCATION

Diploma in Computer Engineering,GTU

Earned recognition for academic achievement and dedication to personal and professional growth upon graduation.2022-2025

GTU(Gujarat Technological University)

Diploma in Computer Engineering
2022-2025

SKILLS

- Programming Languages:- C,C++,Java,Python,JavaScript (JS),TypeScript (TS)
- Web Development:-HTML,CSS,React,Angular
- Software Development:-Proficient in software development practices and methodologies.
- Database Management:-Experience with relational database management systems.
- Data Structures and Algorithms (DSA):-Strong understanding and implementation skills in C.
- Graphic Design
- Video Editing

CERTIFICATIONS

- Certified Computer Course (CCC) - AICTE Approved
- Hackathon Participation Certificate - Government of Gujarat
- 2nd Rank Certificate - Creato 2023
